ORDER

LEWIS A. KAPLAN, *District Judge.*

In connection with the settlement and termination of this action, plaintiff has submitted a proposed "order of default judgment" as against certain defendants. The order fails to comply with the applicable rules. Among other things, it is not accompanied by the requisite Clerk's certificate.

Accordingly, the order is denied without prejudice to the filing of a proper application. Any such application shall be filed no later than February 25, 2008 failing which the action will be dismissed for lack of prosecution as to the defendants in question.

SO ORDERED.

Dated: February 13, 2008

United States District Judge
